Dear Mr. Bhandari,

Re: Invitation – Official Launch of the National Prosthetics Centre, Trinidad and Tobago

I write on behalf of the Ministry of Health of the Republic of Trinidad and Tobago to formally invite you to attend the official launch of the National Prosthetics Centre, scheduled for 9 May 2026, which is expected to be attended by the Honourable Kamla Persad-Bissessar, S.C., M.P., Prime Minister of the Republic of Trinidad and Tobago, and His Excellency Dr. Subrahmanyam Jaishankar, Minister of External Affairs of the Republic of India.

The establishment of this Centre builds directly on the successful collaboration between the Government of Trinidad and Tobago and the Jaipur Foot Organisation, which has already restored mobility and independence to hundreds of persons across the country.

Your leadership and the support of Jaipur Foot USA have been instrumental in advancing this partnership and extending the reach of this humanitarian work.

Your presence at the launch would be a significant honour and would underscore the importance of this collaboration as we transition to a permanent, national service.

We look forward to welcoming you to Trinidad and Tobago and to continued cooperation with Jaipur Foot USA.

Yours sincerely,

Erica Fortune
Permanent Secretary (Ag.)
